4 Section 5. The Illinois Pension Code is amended by changing
5 Section 5-167.5 as follows:

6 (40 ILCS 5/5-167.5) (from Ch. 108 1/2, par. 5-167.5)

7 Sec. 5-167.5. Payments to city for annuitant health care;
8 equality of coverage.

9 (a) For the purposes of this Section, "city annuitant"
10 means a person receiving an age and service annuity, a widow's
11 annuity, a child's annuity, or a minimum annuity under this
12 Article as a direct result of previous employment by the City
13 of Chicago ("the city").

14 (b) The board shall pay to the city, on behalf of the
15 board's city annuitants who participate in any of the city's
16 health care plans, the following amounts:

17 (1) From July 1, 2003 through June 30, 2008, \$85 per
18 month for each such annuitant who is not eligible to
19 receive Medicare benefits and \$55 per month for each such
20 annuitant who is eligible to receive Medicare benefits.

21 (2) From July 1, 2008 through June 30, 2013, \$95 per
22 month for each such annuitant who is not eligible to
23 receive Medicare benefits and \$65 per month for each such

1 annuitant who is eligible to receive Medicare benefits.

2 The payments described in this subsection shall be paid
3 from the tax levy authorized under Section 5-168; such amounts
4 shall be credited to the reserve for group hospital care and
5 group medical and surgical plan benefits, and all payments to
6 the city required under this subsection shall be charged
7 against it.

8 (c) The city health care plans referred to in this Section
9 and the board's payments to the city under this Section are not
10 and shall not be construed to be pension or retirement benefits
11 for the purposes of Section 5 of Article XIII of the Illinois
12 Constitution of 1970.

13 (d) Beginning on the effective date of this amendatory Act
14 of the 95th General Assembly, retirees under this Article who
15 participate in the city health care plans shall pay no higher
16 premium or other cost, and shall receive no lower level of
17 benefits, than the corresponding active employee participants
18 in those plans with the same Medicare status. The city, a home
19 rule unit, may not create or maintain any inequality in
20 benefits or costs for retired and active participants in the
21 city health care plans in a manner inconsistent with this
22 subsection. This subsection is a limitation on the concurrent
23 exercise of home rule power under subsection (i) of Section 6
24 of Article VII of the Illinois Constitution.
